RR340 Plate Compactor \$595

Price for Crated Unit *Taxes, or Freight Extra

The Range Road RR340 Plate Compactor is an efficient economical choice for compacting needs. The RR340 is powered by a 6.5HP engine. The RR340's heavy gauge steel plate is equipped with a beveled edge, which enables easy forward travel, making it perfect for working with sand or gravel. Moreover, the vibration isolators reduce shaking, which increases engine life and provides the operator with a more comfortable experience.

Features

- Throttle control on handle
- Folding Handle for Storage
- Vibration Isolators

Specifications

- Operating Speed 0-82 Feet Per Minute
- Maximum Shock Force: 3000 lbs.
- Vibration Frequency: 5,500 Vibrations Per Minute
- 4 Stroke Unleaded Gasoline Motor: 179cc/6.5hp
- Plate Size: 16.5" x 21.5"
- Overall Dimensions: 34.25" long x 16.5" wide x 35.375" high

OTHER EQUIPMENT

RR5510

RR503 Firewood Conveyor \$2,995

Price for Crated Unassembled Unit *Taxes, Freight, or Assembly Extra

The Range Road RR503 Firewood Conveyor is perfect for any firewood operation. Whether you're a homeowner or running a small firewood business, the RR503 is an economical choice.
