Sawmill Log Loaders

If you do not have a machine for lifting logs onto your Sawmill trailer set up or simply do not want to tie up your current equipment for log loading purposes, the Range Road Log Loading kits are the perfect solution. The RR5098 or RR5099 are engineered to roll logs weighing up to 2500lbs. You have the choice of manual or electric winch. Hardware included to allow the ramps to be conveniently stored on the trailer when not in use or during transit.

RR5098 Manual \$287.65

Price for Unassembled Unit *Taxes, or Freight Extra

- 2 Steel Log Loading Ramps
- Winch Mounting Post
- Manual Winch
- Weight capacity up to 2500lbs

RR5099 Electric \$387.50

Price for Unassembled Unit *Taxes, or Freight Extra

- 2 Steel Log Loading Ramps
- Winch Mounting Post
- Electric Winch
- Weight capacity up to 2500lbs

RR5055 Blade Sharpener \$710

Price for Crated Unit *Taxes, or Freight Extra

The Range Road RR5055 Blade Sharpener is an indispensable tool for sharpening bandsaw blades. It is not only capable of sharpening bandsaw blades for your sawmill, but it can also effortlessly grind bi-metal bandsaw blades. It is capable of grinding both the tooth throat and the rear, making it a useful tool for any sawyer. By sharpening your own blades, you can extend their lifespan by 5-6 times. The compact design of the RR5055 ensures it takes up minimal space in your workshop. Additionally, the RR5055 can be used with the RR5100 Standard Replacement Stone or the RR5249 CBN Sharpening Wheel.

- Saw blade width size 6mm (.23") – 75mm (2.95")
- Grinding range 2mm (.08") – 30mm (1.18")
- Tooth grinding feed rate 0 - 63 teeth/min
- Grinding wheel size 150mm (5.9") x 32mm (1.26") x 10mm (.39")
- Grinding wheel speed 2800RPM
- Grinding head motor 250W 110V
- Variable Speed Feed motor 15W 110V

SAWMILL ACCESSORIES

Sawmill Extensions

Take advantage of the Range Road Sawmill Extensions to increase your cutting length with ease. Each track extension offers an additional 6' 8" of sawmill cutting length, and you can add multiple extensions to satisfy your cutting length requirements. Each extension comes with an additional log clamp to secure longer logs in place. Extensions are available for all Range Road Sawmill models.

6' 8" Specifications

- 2- 6' 8" Frame Rails
- 2- Log bunks
- 1- Screw-type Log Clamp
- 6- Leveling feet
- Overall Track Dimension: .25" thick x 2.25" high x 3.625" wide

6' 8" Specifications for 60 Series 36" Sawmill

- 2- 6' 8" Frame Rails
- 2- Log bunks
- 1- Screw-type Log Clamp
- 4- Leveling feet
- Overall Track Dimension: 2" wide x 5.5" high

50 Series

\$305 - RR5019 18" Sawmill Track Extension
Fits Range Road 50 Series 18" Sawmills- Model RR5018A

\$315 - RR5027 22"/26" Sawmill Track Extension
Fits Range Road 50 Series 22" & 26" Sawmills- Models RR5022A, RR5022B, & RR5026A

\$340 - RR5033 32" Sawmill Track Extension
Fits Range Road 50 Series 32" Sawmills- Models RR5032A & RR5032B

\$350 - RR5037 36" Sawmill Track Extension
Fits Range Road 50 Series 36" Sawmills- Model RR5036A

60 Series

\$315 - RR5027 22"/26" Sawmill Track Extension
Fits Range Road 60 Series 22" & 26" Sawmills- Models RR6022A, RR6022B, & RR6026AW

\$355 - RR6033 32" Sawmill Track Extension
Fits Range Road 60 Series 32" Sawmills- Models RR6032AW & RR6032BW

\$410 - RR6037 36" Sawmill Track Extension
Fits Range Road 60 Series 36" Sawmills- Model RR6036AW

Sawmill Trailers

The Range Road Sawmill Trailer kits provide an excellent opportunity to mobilize your sawmill operation. You can choose between two options: a 10' or a 16' trailer kit. The 10' option enables you to mount any of the 50 series (excluding the RR5018A) or 60 Series sawmills, creating a mobile unit capable of cutting up to a 10' log length. Alternatively, the 16' option allows you to mount any of the 50 series (excluding the RR5018A) or 60 Series sawmills, providing you with a mobile unit capable of cutting up to a 16' 6" log length. We offer complete sawmill and trailer packages (for pricing click here), or you can purchase a sawmill initially and add a trailer kit at a later date, depending on your budget and requirements.

10' Specifications

- 4- Leveling Jacks
 - LED Lights & Wiring Package*
 - Torsion Axels
 - 2" Ball Hitch
 - Safety Chains
 - Removable Fenders
 - 13" Highway Wheels
 - 165/70R13 Tires
- Please note that the 10' trailer kit fits a Range Road Sawmill (not included)

16' Specifications

- 6- Leveling Jacks
 - LED Lights & Wiring Package*
 - Torsion Axels
 - Tongue Mounted Toolbox
 - 2" Ball Hitch
 - Safety Chains
 - Removable Fenders
 - 13" Highway Wheels
 - 165/70R13 Tires
- Please note that the 16' trailer kit fits a Range Road sawmill with 1 extension (not included).

*The LED light and wiring package is a complete plug-and-play wiring harness with a 4-flat trailer plug, 2 front side marker LED lights, 2 rear side marker LED lights, and 2 LED taillights with turn signal, 4-way flasher and brake light functions.
